**Record keeping Requirements for the Registration Program**

The following must be maintained at the principal place of business for a period of three y  
date of issuance of this Certificate of Registration:

- (1) A copy of the registration statement filed with RSPA; and
- (2) This Certificate of Registration

Each person subject to the registration requirement must furnish that person's Certificate o  
(or a copy) and all other records and information pertaining to the information contained in th  
statement to an authorized representative or special agent of the U. S. Department of Transp  
request.

Each motor carrier (private or for-hire) and each vessel operator subject to the registration  
must keep a copy of the current Certificate of Registration or another document bearing th  
number identified as the "U.S. DOT Hazmat Reg. No." in each truck and truck tractor or ve  
and semi-trailers not included) used to transport hazardous materials subject to the  
requirement. The Certificate of Registration or document bearing the registration number m  
available, upon request, to enforcement personnel.

For information, contact the Hazardous Materials Registration Manager, DHM-60 Research  
Programs Administration, U.S. Department of Transportation, 400 Seventh Street, SW, Was  
20590, telephone (202) 366-4109.
